## **ABOUT THE COLLEGE:**

The Thambal Marik College is a NAAC accredited 'B' grade (2nd Cycle) Government co-educational College located at Oinam. It was established as a private College on the 28th September 1980 at Oinam. Bishnupur District, Manipur. It was converted into a full-fledged Government College on June 28, 2018. The college was affiliated to the Manipur University in the year 1983. The college received permanent degree affiliation from the Manipur University in the year 1996 and included in the section 2(f) & 12(B) of UGC Act 1956 on the 20th May, 1997. The college has been striving to provide quality education to all sections of the society, specially to the socially, economically, educationally and culturally backward people of the state and the neighbouring states of Manipur. The college has now reached out embracing students, not only from different districts of the state but also from neighbouring states to get admission up to undergraduate degree level in both science and arts streams.

## **ABOUT THE SEMINAR:**

The National Seminar on Recent Trends in Technoscience, Humanities & Social Science is being organized by the Institutional Research Committee (IRC), in collaboration with College Development Council (CDC), Manipur University. The main scope of the seminar is to provide an excellent platform for students, teachers, research scholars and academicians to share and exchange their research findings and views in various thrust areas of Technoscience, Humanities and Social Science. This seminar would help raise the academic standard of the students, research scholars, teachers, and other academicians.

## **OBJECTIVE:**

- > To examine recent developments in technoscience and their impact on society.
- > To foster interdisciplinary dialogue between scientific innovation and humanistic inquiry.
- > To explore the socio-cultural, ethical, and policy dimensions of technological advancement.
- To provide a platform for researchers to present innovative ideas and collaborative models.
